

Clint Siphelele Mbambo

.NET Developer | Durban, South Africa | 0789335971

clintsiphelelembambo@gmail.com | LinkedIn | GitHub | Portfolio

Professional Summary

Dedicated .NET Developer with hands-on experience building production-ready web applications using ASP.NET Core MVC and Web API. Experienced in secure payment integration (Paystack), database architecture design, and full-stack development. Passionate about writing maintainable code, solving real business problems, and continuously improving through practical implementation.

Technical Skills

- **Languages:** C#, JavaScript (ES6+), SQL, HTML5, CSS3
- **Frameworks:** ASP.NET Core MVC, ASP.NET Web API, Entity Framework Core
- **Testing:** xUnit, NUnit, Mocking Frameworks
- **Tools & Databases:** Azure SQL, MS SQL Server, Git/GitHub, Postman, Bootstrap
- **Payment Integration:** Paystack API
- **Methodologies:** Agile, Technical Documentation

Key Projects

- **Cosy Commune Accommodations** – Multi-tenant platform connecting students and landlords. Developed automated management tools for property listings, rental tracking, and integrated secure Paystack payments.
- **Isthixo-Commerce** – Engineered a full-scale e-commerce solution for a local fashion brand. Managed end-to-end order flow, inventory tracking, and secure checkout implementation.
- **Chowdown Burgers ERP** – Built a comprehensive ERP system handling live stock management, sales tracking, and financial reporting for a restaurant business.

Community Impact

Founder & Developer – Local Services Marketplace (Live Platform)

Architected and launched a localized service marketplace supporting hometown entrepreneurs. Built service registration, dynamic listings, and booking/order systems. Managed full deployment and ongoing maintenance lifecycle.

Education

Diploma in ICT: Applications Development

Durban University of Technology (2022 – 2025)

Completed three years of specialized training in software development and systems analysis. Final-year modules outstanding due to financial constraints; academic record reflects strong

performance in core development subjects.
